EDUCATION

- 1981-1984** Misericordia Hospital of Nursing, Edmonton, Alberta
Diploma in Nursing
- 1985-1987** University of Alberta – Faculty of Nursing, Edmonton, Alberta
Post-Basic Bachelor of Science in Nursing
- 2011** Currently enrolled with Grand Canyon University, Phoenix, USA
Master’s of Science in Nursing: Leadership in Healthcare Systems program

NOMINATIONS AND AWARDS

- 2011 Recipient of the **INACSL International Nursing Association for Clinical Simulation and Learning: Excellence in the Academic Setting Award (2011)**
- 2010 Recipient of the **Medical Education Technologies, International Educator Innovator Award (2010)**
- 2006 Recipient, Grant MacEwan **10-year service** Award
- 2004 Nomination for **Distinguished Instructor**, Grant MacEwan
- 2002 Recipient, Grant MacEwan **5-year service** Award
- 2001 Nomination for CARNA-College and Association of Registered Nurses of Alberta, **Colleague of the Year Award**, Nurses Celebrating Nursing 2001
-

PROFESSIONAL ACADEMIC TEACHING EXPERIENCE

IHEP Interdisciplinary Education Educational Project

- Spring 2010/11**
- Development and teaching of Sim ETC program for educators using simulation.
 - Development and teaching of Debriefing Sessions for faculty development.

- 2002-2006** Grant MacEwan College
Effective Preceptorship Workshops: session facilitator teaching clinical
partners who were working as preceptors for Grant MacEwan students in

the clinical setting to provide them with knowledge and skills as facilitators of student learning in clinical rotations.

PROFESSIONAL EMPLOYMENT DETAILS

Grant MacEwan University

January 2008 to Present

Title: Professional Resource Faculty, Faculty of Nursing and Health and Community Studies

- Collaborates with Clinical Laboratories Coordinator and lab staff to ensure smooth functioning of the Clinical Skills Laboratory for programs in the Health and Community Studies division
- Provides education and training to faculty for laboratory related skills, including the use of instructional equipment and teaching in a simulated environment
- Collaborates to design simulated spaces for learning
- Assists in the planning, implementation and evaluation of high to low fidelity simulation in the laboratory setting
- Encourages best practices and evidence-based approaches to simulation
- Contributes as required to the selection of resources for the program
- Provides remedial instruction for students
- Provides updated resources for faculty working in the clinical laboratory and simulation labs
- Provides training for low to hi-fidelity, SP and virtual reality integration in lab courses
- Collaborates in scheduling of events in Clinical Laboratories
- Participates in research endeavours as appropriate
- Collaborates and networks with external stakeholder groups, associations and organizations to further clinical simulation initiatives
- Participates in scholarship activities in related areas.

University of Calgary, Qatar

January 2009 to December 2009

Title: Clinical Simulation Lab Manager

- Leads and implements a plan in the design and development of clinical laboratory learning spaces from the ground up while leading the beginning implementation for simulation technology learning (low to hi-fidelity) in curriculum development and faculty development programs
- Collaborates with builders, IT/AV, engineers, architects and other professionals and oversees the development of physical spaces on campus that are conducive to state-of-the art Hi-Fidelity Simulation
- Creates strategic planning document to reflect a start up plan for simulation.
- Effectively manages the simulation center, including overseeing of budget for Clinical Laboratories (CSLC)

- Provides educational sessions for faculty for all laboratory related skills as required across the spectrum or low to high fidelity simulation in the laboratory setting.
- Confers with faculty and coordinates the acquisition of the lab resources for the program, including select Learning Resource Center holdings
- Teaches students who require remedial assistance with clinical skills
- Schedules events in Clinical Laboratories
- Participates in research endeavours
- Collaborates and networks with external stakeholder groups, associations and organizations to further clinical simulation initiatives
- Participates in scholarship activities in related areas.

Grant MacEwan College

August 2003 to December 2009

Title: Laboratory Resource Professional, Faculty of Nursing

- Very similar role to the Professional Resource Faculty Role as above but included administrative responsibilities that are now a part of the newly added Lab Coordinator position. Expansion of the Laboratories staff has allowed shifting of current role to focus on faculty and student development in the clinical laboratory setting.

Grant MacEwan College

2002-2006

Title: *Workshop Instructor, Center for Continuing Nursing Education*

- Instructing “The Effective Preceptor” through Grant MacEwan Health & Community Studies Division.

Grant MacEwan College

1997-2003

Title: *Nurse Educator*

- Clinical/Classroom/Laboratory Instructor for nursing students in all years of the program

Novo Nordisk

1997

Title: *Nurse Educator: Patient Training for the Novolin Pen III*

- Responsible for organizing instructional days along with the Edmonton Novolin Representative for the instruction of diabetic patients in the use of the Pen III systems.

Grant MacEwan College

1994-1997

Title: *Instructor: Assisting Independence Workshop Series*

- Residential Aide Training Project, Mill Woods Campus
- Responsible for the development, implementation, instruction & evaluation of a new series of workshops designed for the general public and residential aides/PCAs, 5-10 workshops per semester

Faculty of Nursing - Misericordia Hospital

1989-1994

Title: Nursing Instructor *Lecturer/Clinical Nursing Instructor (Pediatrics, Medicine)*

- Taught students in the first, second and third year of the Nursing program (including classroom instruction, clinical instruction evaluation and curriculum development). Worked primarily on medical units with adults as well as on Pediatrics.

Faculty of Nursing – University of Alberta

1987-1989

Title: Nursing Instructor (Sessional)

- Clinical and lab instruction of nursing students in the second year of the degree program in Pediatrics.

Misericordia Hospital

1984-1990 Registered Nursing Positions

- Held a variety of staff nurse positions in Pediatrics, Medicine, Surgery and ICU.

Simulation Consulting Services

2007- On going

Simulation in Healthcare Design and Program Implementation Consulting:

Collaborates to provide extremely comprehensive planning documents that included a thorough needs assessment, project management detailed plan, detailed design specifications, layouts, databases, equipment planning considerations, and curricular planning considerations for administrative, support team and faculty.

- University of the Fraser Valley, 2008
- Red Deer College, 2008
- Mount Royal College, 2008
- University of Calgary, Faculty of Nursing, 2008 [needs assessment and design consultation]

2007- Present

Simulation Education Series has been offered for numerous groups since 2007: listed “Workshops Taught” section above.

CURRICULUM, ASSESSMENT OR INSTRUCTIONAL MATERIAL DEVELOPMENT, AND COMMITTEE CONTRIBUTIONS

2010-2011

INACSL International Nursing Association for Clinical Simulation and Learning,
Nominations Committee Member

2010-2011

- INACSL International Nursing Association for Clinical Simulation and Learning,
Canadian Membership Group Member, Canada

2010-2011

- LEA [Lab Educators of Alberta] Committee Member, since fall 2010.

2010-Present

- IHEP [Interprofessional Health Care Education Project] Faculty Development
Committee Member, Module development and Facilitator Training. Edmonton,
AB, Canada

2010-Present

- EPS [Edmonton Police Service/Grant MacEwan Collaboration, simulation project
collaborator], Edmonton, AB

2010-Present

- Clinical Laboratories Committee member, Grant MacEwan

2010-Present

Royal Alexandra Hospital Nurse Educators Group, current member

2010-Present

Nursing Action Committee, University of Alberta Hospitals, Committee member

2009

- Curriculum Implementation Committee, Mapping simulation across BN and Post
Diploma Nursing Curriculum, U of C, Qatar

2009

- National Task Force Committee: Building Strong Clinical Partnerships for UCQ,
Qatar

2009

- Clinical Laboratories Committee, Chair, UCQ, Qatar

2007- Present

Bachelor of Science in Nursing Faculty, Member

2004 to 2007

- Curriculum Review Committee Member, Grant MacEwan

1998-current

- Course Development Teams, Grant MacEwan

2004-2008

- Simulation Committee, Chair, Bachelor of Science in Nursing University Transfer
Program, Grant MacEwan

2003- Present

- Faculty Simulation Orientation Program, Grant MacEwan

2004- Present

- Faculty Lab Psychomotor Skill and Content Review Sessions: faculty content review, Grant MacEwan

2005-2007

- Bachelor of Science in Nursing Program Development Committee, Grant MacEwan

2005-2006

- On-line Psychiatric Nursing Program course development, Grant MacEwan

2003-2008

- CRC: Curriculum Review Committee, Grant MacEwan

1986- 2009

- Bachelor of Science in Nursing University Transfer Program: participated in all course development teams at all levels, Grant MacEwan

1999-2003

- Preceptorship Readiness course: developed content and curricular elements, rubrics and evaluation criteria, Grant MacEwan

2001

- Evaluative Tool Development: developed Orem clinical preparation tool, N 271, Grant MacEwan

1998-2003

- Assessment Tool Development: N 391 student evaluation, Grant MacEwan

1984-86

- Assisting Independence Series: co-developed, marketed, and instructed 24 workshops that targeted the family, community and health care providers working in the community, Grant MacEwan

1996-1998

- CERC: Collaborative Evaluation Review Committee Member, Collaborative Program in Nursing, Edmonton, AB

PROFESSIONAL MEMBERSHIPS/ CERTIFICATIONS

- Active registration with the College and Association of Registered Nurses of Alberta (**CARNA**)
- Membre actif **l'ASSOCIATION Canadienne-Française de l'Alberta**, le Réseau de services, secteur santé.
- Current member **Society for Simulation in Healthcare (SSH)**
- Current member **International Nursing Association for Clinical Simulation and Learning (INACSL)**
- Current membership with **National League for Nursing, NLN**
- **CPR Health Care Provider Level C**, current
- Life Scan Glucometer Trainer Certification, current
- METI Live Training: Fall 2009
- B-Line Training Course, Grant MacEwan December 2007

- Harvard Simulation “Simulation as a Teaching Tool” Trainer Course Certificate, October 2006
- Trainer Certification Sports Medicine Council of Alberta, Athletic First Aid Course 2006
- Trainer Certification Sports Medicine Council of Alberta, Taping and Strapping Course 2006
- “N 95 Respirator Trainer Certification” 2006-07

PROFESSIONAL CONFERENCE PRESENTATIONS

Planned Presentations for 2011

2011

- **10th Annual International Nursing in Clinical Simulation Learning Conference, INACSL, June 2011. Presenter: Healthcare Meets Policing, Interprofessional Education, Orlando, Florida.**

•

Previous Presentations

2011

University of Calgary Qatar, Simulation Symposium and Grand Opening Simulation Center, Invited Keynote Address, Panel Expert and Presenter, Awaken the Innovator in You, Doha, Qatar, March-April

2010

- **Nursing Leadership Forum: November 2010.** Pearson Education, **Invited Presenter, “Simulation in Nursing Education: Health Assessment Innovations”.** Toronto, ON, Canada

2010

- **9th Annual International Nursing Clinical Simulation Conference, INACSL, June 2010, Invited Keynote Address, “Culturally Competent Education: Adaptations for the use of hi-fidelity simulation in Qatar”.** Las Vegas, NV, USA

2010

- **9th Annual International Nursing Clinical Simulation Learning, INACSL, June 2010, Invited Expert Panel Presenter, “Ask the Experts: Academic Simulation 101”.** Las Vegas, NV, USA

2009

- **"Nursing Quality: The Essence of Health Care" First International Nursing Conference, November 7-8, 2009 Presenter, “Hi-Fidelity Simulation at UCQ”.** University of Sharjah, UAE

2009

- **Simulation Education Day, October 2009, Jordan University of Science and Technology. Invited Presenter, “A day in the Life of Simulation”.** Irbid, Jordan

2009

- **HPSN UK, 2009 Conference Presenter**, "*Cultural Adaptations for the use of Hi-Fidelity Simulation in the Middle East*". Cardiff, Wales, Uk

2008

- **Society for Simulation in Healthcare January 2008, Invited Expert Panel Presenter:** International Meeting on Simulation in Healthcare: Excellence through Innovation and Collaboration. San Diego, CA, USA
 - “Getting Operational”
 - “Debriefing for Faculty”

2007

- **Third Annual Education Conference 2007, Invited Keynote Address,** Negotiating Techno-Turbulence in Nursing Education and Practice. “Using Simulation in Everyday Practice”. Calgary, AB, Canada

2007

- **Collaborative Faculty Development Conference 2007, Invited Presenter,** Challenges in Nursing Education, “Discovery Learning”. Edmonton, AB, Canada

2007

- **HPSN, METI, 2007. Presenter,** “The Art of Debriefing: Essential for Simulation”. Tampa Bay, FL, USA.

2006

- **Margaret Scott Wright Research Day 2006, Presenter,** “Student Perspectives on Effectiveness of Simulation as a Learning Tool”. Edmonton, AB, Canada

2006

- **HPSN, METI, 2006 Presenter,** “PNCI Scenarios, Implementation of Orientation for Faculty”. Tampa Bay, FL, USA

2006

- **CONA, 2006. Orthopaedics across the Generations. Presenter,** “Human Patient Simulation: Orthopedics Applications”. Edmonton, AB, Canada

2006

- **WRCSN, 2006. Presenter,** “Human Patient Simulation: Panacea or Bonifide Educational Tool in Nursing Education”. Edmonton, AB, Canada

2005

- **CAPNE, 2005. Presenter,** “Human Patient Simulation: Panacea or Bonifide Educational Tool”. Edmonton, AB, Canada

SERVICE TO NURSING EDUCATION AND NURSING PROFESSION

- **Harvard Focus Group, exploring continuing education in debriefing, May 2011**
 - **MacEwan Day Annual Volunteer (Feb/Nov)**
 - **Submitted peer nomination for CARNA AWARD for excellence in teaching for Dr. Irene Coulson, 2011**
 - **Fall and winter 2010/2011** Guest Speaker in N 170 Careers in Nursing
 - **INACSL [International Nursing Association for Clinical Simulation and Learning] Committee Member, Nominations , 2011**
 - Volunteer, **INACSL Canadian Membership Group**, 2010 ongoing, first meeting Jan 2011
 - **IHEP Simulation Faculty Development Committee Member**, 2010-ongoing
 - **Clinical Laboratories Committee Member**, 2010
 - **Immunization clinics** volunteer at University of Calgary, Qatar 2009
 - **Immunization clinics** volunteer Grant MacEwan College, 2000
 - **Grant MacEwan Open House** Volunteer, standing Volunteer, 1994 - ongoing
 - **Grant MacEwan Dare to Care Conference** Volunteer, Annual Participation
 - **Simulation in Health Care Discovery Group Member:** Capital Health Region 2007-2008
 - **Simulation Committee** Chair, Grant MacEwan, Bachelor of Science in Nursing Transfer Program/Diploma Completion Program, 2005 -2008
 - **Technology Committee** Grant MacEwan College – 2007-2009
 - **Facilities Review Committee**, Grant MacEwan College – 2008-2009
 - **Robbins Friends and Family Night** Committee Member, Grant MacEwan, 2008
 - **Robbins Health Learning Center, Grant MacEwan Design and Development team, 2005-2008**
 - **Grant MacEwan HOT (Health Oversight Team Committee Member), 2006-07**
 - **Grant MacEwan Simulation Lab Design and Development**, Assumed the lead-planning role working with Grant MacEwan Facilities Planning to create first simulation space for Nursing Program. 2005
 - Grant MacEwan **Faculty of Nursing Resource Review** Committee – Chair 2005 Contributor to **Grant MacEwan Fund Development** Campaign
 - Past Contributor to Grant MacEwan **UNICEF Campaign**
-

SERVICE TO THE GREATER COMMUNITY

- Secretary/Treasurer, **Lac St. Cyr Preservation Society**, current, 2005-Present
- **Club Administrator, Registrar, Team Trainer, Raiders Football Association**, 3 yr term, 2005-2008
- **TEAM LEADER, Alberta Association for Community Living Campaign (AACL)**, 2010-Present
- **Preschool program**, developed coloring book for teaching “What is Nursing Health Care Professionals” at a preschool level, in-person presentations for several years in classrooms
- **Treasurer, Capital District Minor Football Association**, 1 year term, 2007-08
- **Parent Committee Member**: 7 years with École Notre Dame, Edmonton, AB, Canada
- **Sunday School Leader** from 1996 – 2007, Paroisse Ste. Anne, Edmonton, AB
- Executive Member, **Les Chantamis Choir**, Edmonton on and off over Past 25 years, Choir Travel Nurse, current member
- Member and Leader, **Liturgy of Music**, St. Joseph’s College Parish, 1987-92
- Hosted **Teacher Recognition Event** for seven years, École Notre Dame In recognition of team and instructional excellence
- **Registrar and Sports trainer**, Session, 2006-09
- **Sunday School Leader**, 1994- 2006
- **Choral Training Festivals Committee**: Europe 1987, 1990, 1996, 2000, 2004, 2008
